## ***INFORMATIONAL UPDATE 7/2/08***

### ***COMBINED SEWER OVERFLOW PROJECT NO. 6***

#### **Project Description:**

The purpose of the project is to remove storm water that currently enters the sanitary sewer system as required per an Administrative Order from the Environmental Protection Agency.

This project involves the separation of storm water and sewer in the area along School Street from Colburn Park to Spring Street, South Park Street, Gerrish Court, a portion of Messenger Street, Prospect Street from School Street to Reservoir Road, Follansbee Avenue and a small section of Forrest Avenue. As a part of the project new sewer line will be installed as well as a separate new storm water collection system. All existing sewer house connections will be reconnected to the new sewer system as will be the water service connections for each property.

As part of the project, other improvements such as the replacement of old or undersized water lines, curbs and sidewalks will be completed. New street paving is also included in the project.

#### **Updated Project Schedule:**

Construction will continue on Kimball Street and School Street to complete drainage and water line work. Construction work will begin on July 7<sup>th</sup> with grinding the pavement on South Park Street, to be followed by the installation of the new sewer lines on July 8<sup>th</sup> and 9<sup>th</sup>. During the week of July 14<sup>th</sup> construction will continue on South Park Street to complete work on the water main. Work on the project is expected to be completed in November 2008.

#### **Miscellaneous Items:**

The contractor is required to maintain at least one lane of traffic during construction, however there may be small periods of delay to allow equipment to move out of the way. It is expected that roads will be open to two-way traffic at night and on weekends and holidays. All construction activities are prohibited on Saturdays, Sundays, legal holidays and weekdays before 6:30 AM and after 7:00 PM, except during emergencies or unless the Public Works Department has specifically granted permission in writing. Please feel free to contact the Public Works office if you have any questions or concerns at (603) 448-3112 or via email at [dpw@lebcity.com](mailto:dpw@lebcity.com).
